

SustainAbility Stars

2010 Award Categories

The SustainAbility Stars Program is announcing the following categories of awards. These awards recognise the commendable efforts and achievements of HomeChoices staff and the people we support while taking part in the program in 2010. In some categories, houses will be able to apply for awards once their consumption targets are met, while for other categories, award nominations will be sought later in the year. The awards will be presented in a ceremony at the end of the year.

Categories	Recipients	Criteria
Excellence in Energy Saving	Household	Highest % reduction in annual energy consumption from 2009
Excellence in Water Saving	Household	Highest % reduction in annual water consumption from 2009
